

THE GREAT GROCERY HUNT

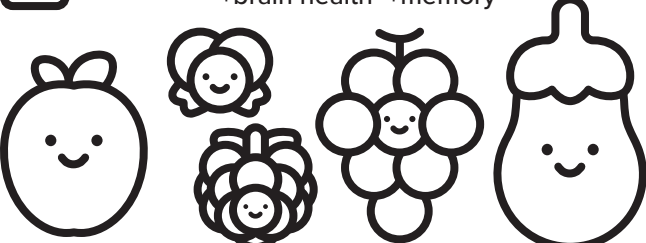

Let's explore and find fruits and vegetables in the grocery store!

As you shop, find fruits and vegetables in every color of the rainbow. Check off each color as you find it. Frozen food and canned goods count, too.

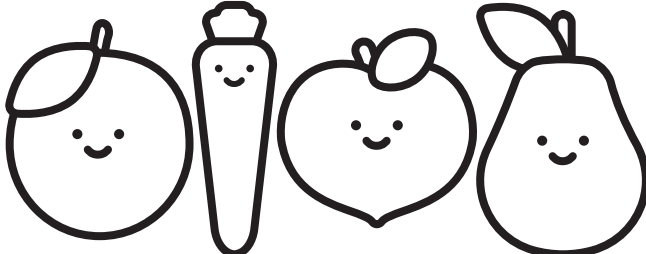

Find **RED** foods
+heart health +memory

Find **BLUE** and **PURPLE** foods
+brain health +memory

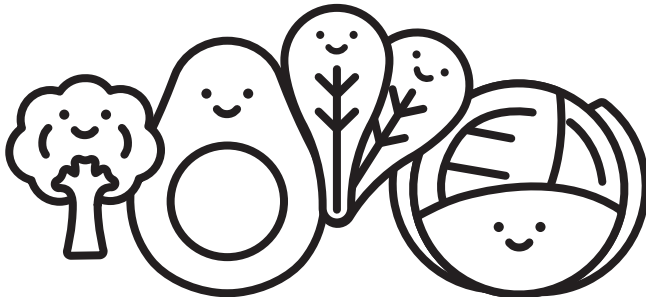

Find **YELLOW** and **ORANGE** foods
+immune system support +vision

Find **WHITE** foods
+heart health

Find **GREEN** foods
+strong bones +vision

GREAT JOB!
When you get home, you can color in all the foods you found on your grocery hunt.
